

Student Success District Bear Down Gym Preservation & Renovation

Construction Update - Week of December 6th, 2021

Inside the main entrance standing on the historic gym floor, looking south. Furniture is making its way up to level 3. Equipment is going into the Catering Kitchen on level 2 and final flooring is being installed on level 1.

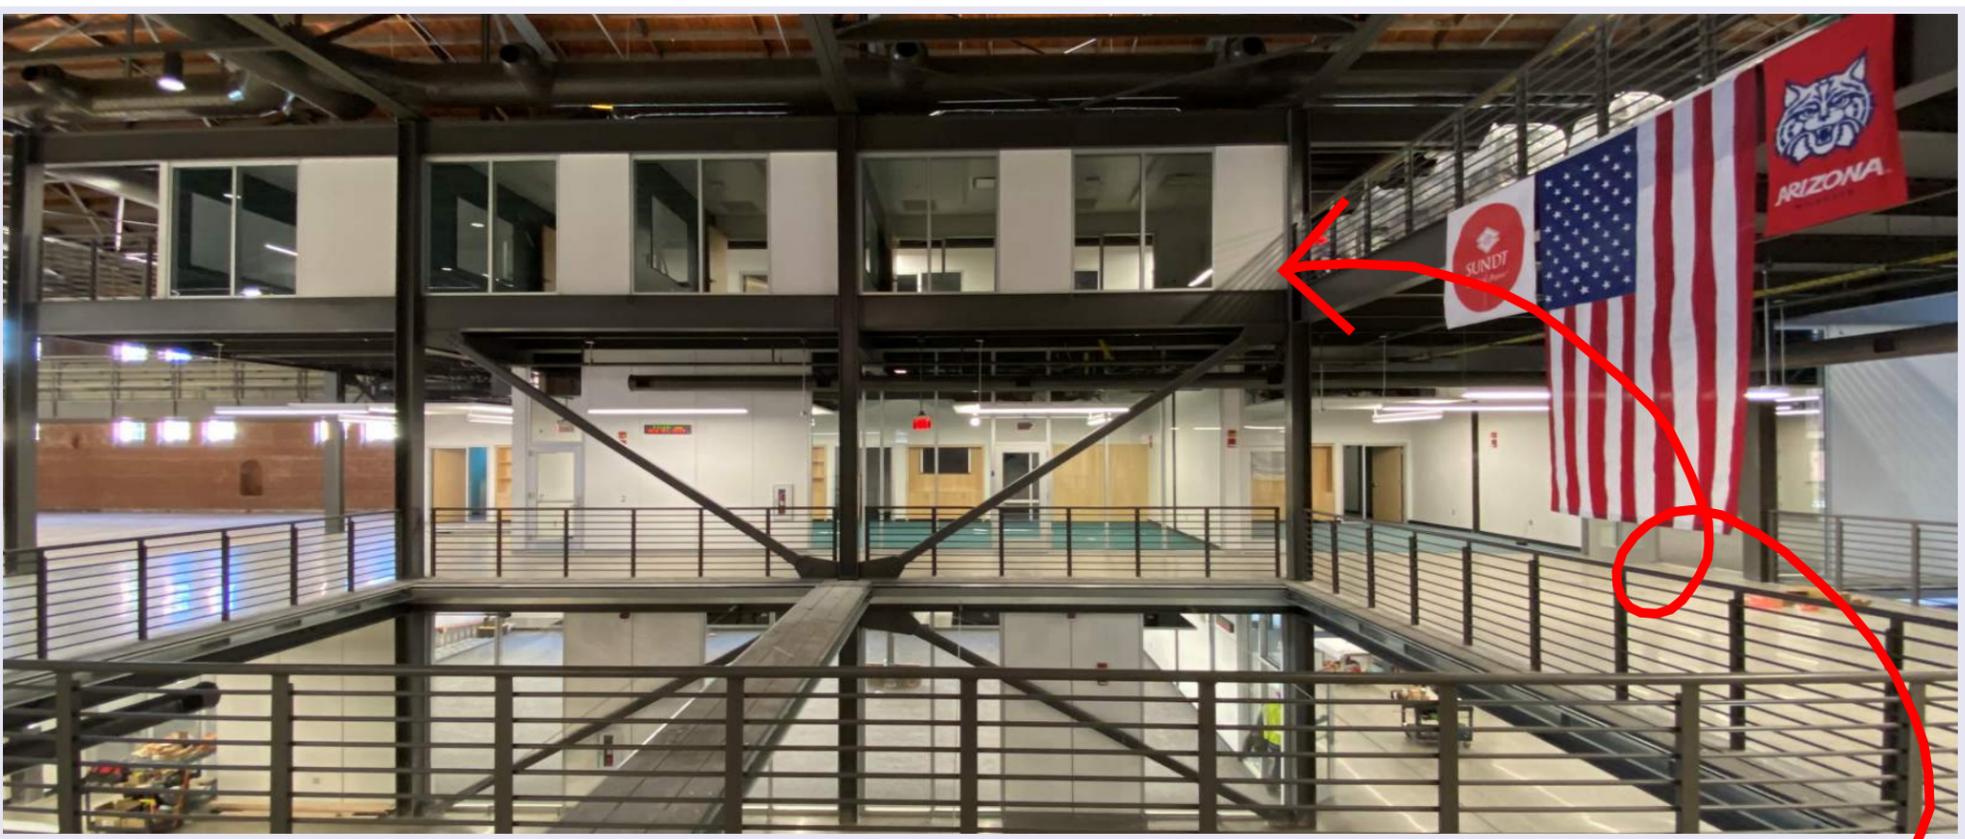

View of the northwest corner of the building. The light posts have been installed on all sides of the building. Landscaping, sidewalks, and pavers have surrounded the building as well.

Construction Update - Week of December 6th, 2021

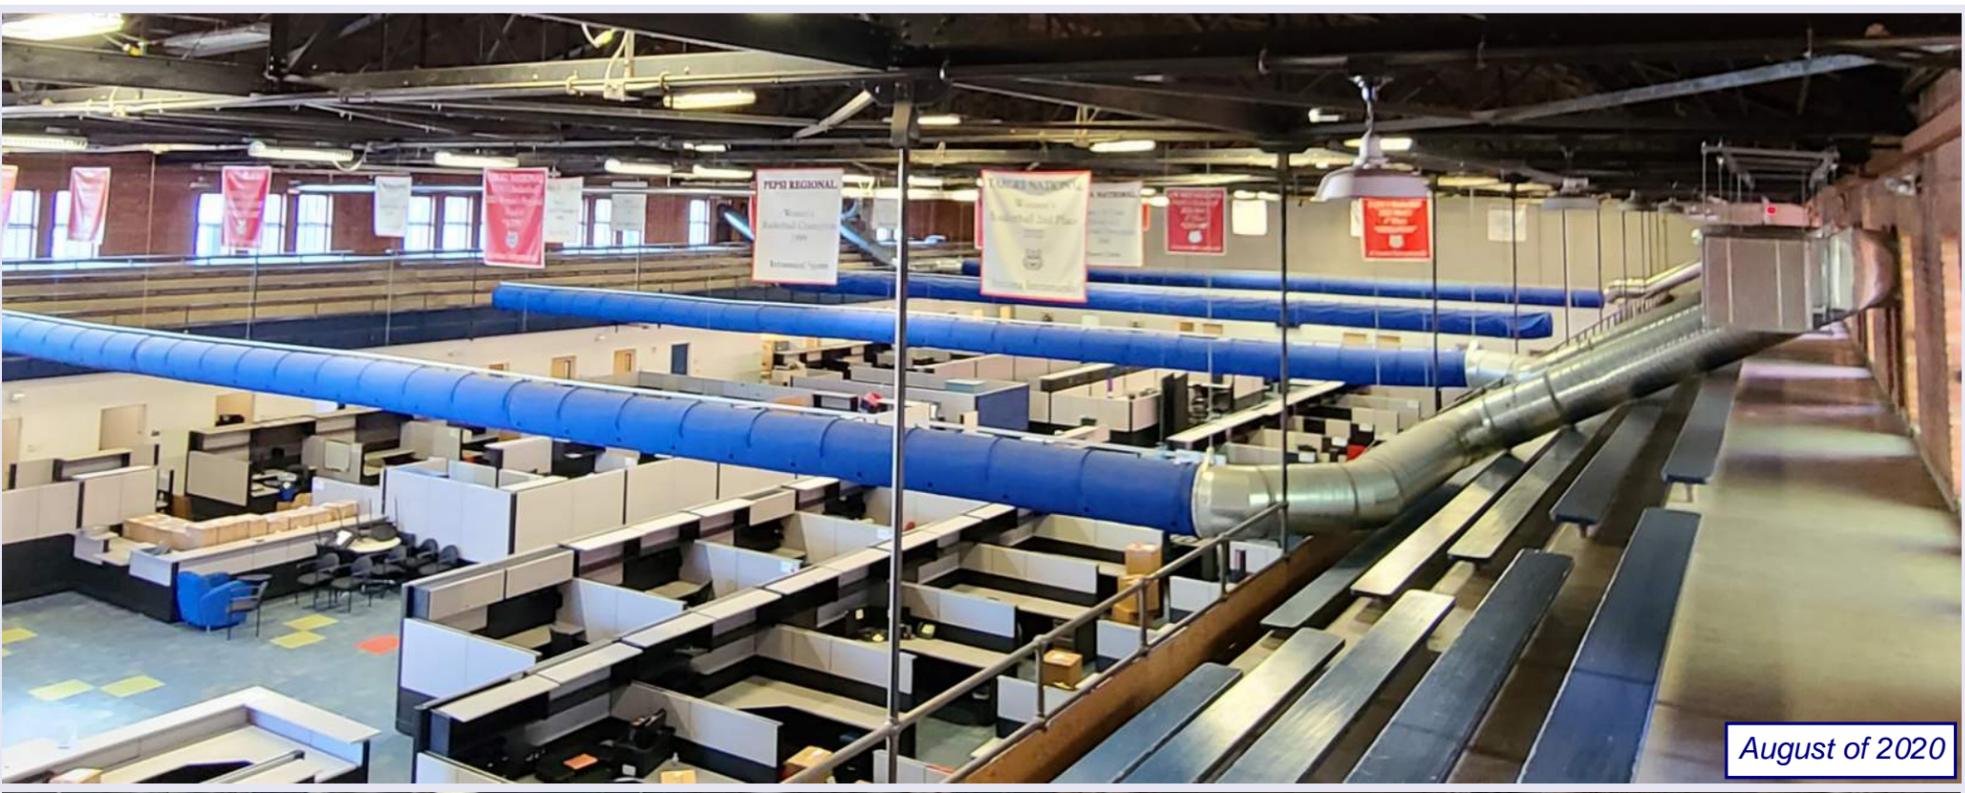

Inside the level 2 atrium looking across at the reception area on the left. The TT Writing Center is directly across the atrium and the Life Lab is on the right. Above are interview rooms on level 3 and below is the Wellness Studio on level 1.

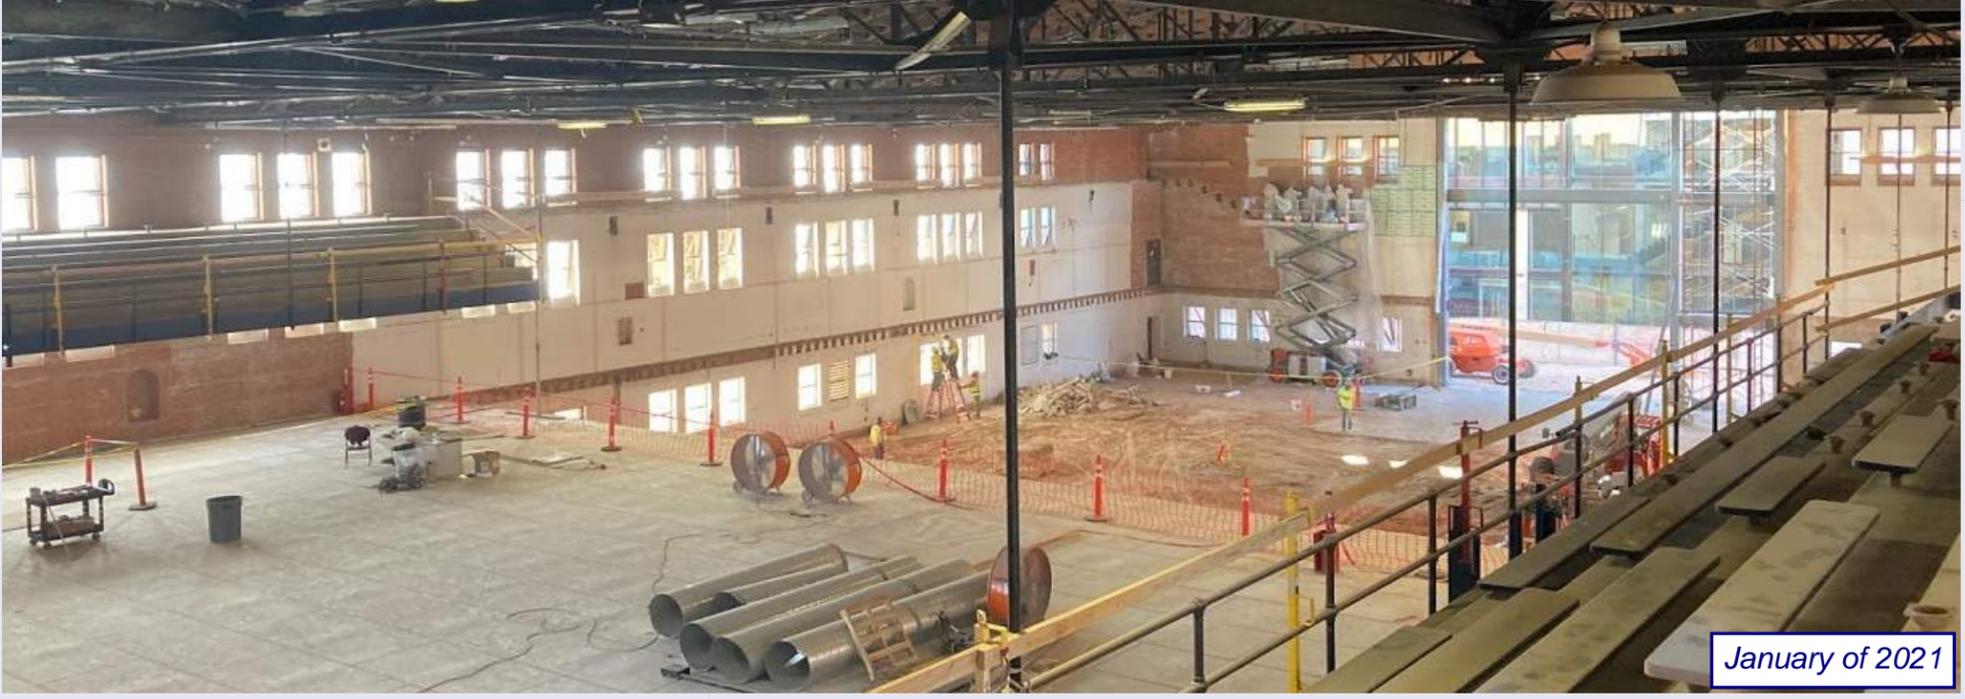

On the left, the 'A' from the historic gym floor has been hung on the first level near the Community Clubhouse. On the right, the site sidewalk and landscaping has been installed along the south side of the building. Check it out!

Construction Update - Week of December 6th, 2021

August of 2020

January of 2021

December of 2021

These three pictures are taken from the same spot above the west bleachers looking back towards the historic gym floor and the southern half of Bear Down Gym ranging from September, 2020 to today! Check out the progress from the temporary ductwork and cubicles to the completely open atrium and finally the newly renovated historic gym floor and collaborative learning spaces.
